

# NOTTAWASEPPI HURON BAND OF THE POTAWATOMI INDIAN TRIBE

The Nottawaseppi Huron Band of the Potawatomi Indian Tribe (NHBP), was searching for adequate space that would allow for full functionality of their day care program by the start of school. The tribe needed their new facility to blend into the rural wooded area out of respect for the land. We proposed a solution that included the design and construction of a building and all required site work with completion in just 10 weeks..

PERMANENT DAY CARE TO BLEND IN WITH NATURAL LANDSCAPE
